

THE TREE COUNCIL'S TREE WARDEN SCHEME

PARISH VACANCY

Are you passionate about trees?

Want to learn more and make a difference?

You could you work with local people and the SHDC Tree Officer to help protect trees in your area ..

The South Hams Tree Warden Network (a registered charity) is made up of around 60 local tree champions, working in their parishes, who:

- Protect trees within conservation areas and those subject to a Tree Preservation Order (TPO)
- Work to raise public awareness about the benefits of trees
- Provide timely information to qualified colleagues on threats such as disease, decay or vandalism.

Come and join us!

Training and support: No prior qualifications needed, just enthusiasm and commitment. If successful, you will join an established network. You will receive a warm welcome, advice and written guidance on the role and access to training opportunities during 2019.
